LIFE MEMBER INDUCTIONS

We recognize an active member who has attained eighty-five years of age and has been a member for 10 consecutive years.

A Life Member is no longer required to pay dues; however, many continue to do so.

Jalal Panah

Jalal was born October 27, 1934 in Ababan, Iran. He attended Razi high school and then the University of Tehran where he earned his Doctor of Medicine (MD) degree in 1961. He started his internship in Iran and applied for his ECFMG (Educational Commission for Foreign Medical Graduates) which assesses the readiness of International medical graduates to enter US residency programs. Jalal was accepted at a hospital in Greensburg, PA and did a one-year rotating internship at West Moreland Hospital in Greensburg.

His Post Graduate Obstetrics & Gynecology work was at St. Joseph Mercy Hospital in Pontiac, which at the time was affiliated with the U of M, from 1961-1962. Jalal was accepted for an OBGYN specialty at St. Joe's from 1962-1965.

Upon his graduation from medical school, he applied to become a US citizen and he dream was fulfilled in 1969. He worked for a bit Downriver, but then settled in the West Bloomfield-Pontiac area to establish his private practice. He was in that practice from 1969 until his retirement in 2012, joining SMCB shortly thereafter.

Jalal was actively involved in teaching residents and other doctors, became an Assistant Clinical Professor at MSU, was

active in seminars and teaching techniques and belonged to multiple medical associations during his lifetime.

Jalal and his wife Rohan were married in 1961, just prior to moving to the US, and reside in Bloomfield Hills. They have 3 daughters and 3 grandchildren.

Jalal joined SMCB in 2012, and over the years, served on the Visitation & Health Committee, was part of the welcome committee and played bridge. He enjoys golf, tennis, social get-togethers and is an avid reader of American history and military books.

Dick Shirley

Mr. President and Fellow Members! Today, it is my distinct pleasure and honor to present my long-time family friend, Dick Shirley, for Life Membership in our Club. Over the years, Life Members have been introduced in various ways. Many of us will recall the unique style and format used by, then Past President Bill Reilly some twenty years ago. Now, I have the rare opportunity, having been Dick Shirley's Sponsor some fifteen years ago, to introduce him for Life Membership in our Club, The Senior Men's Club of Birmingham.

Dick was born in Muncie, Indiana in 1937. In 1960 Dick and his wife, Sara, moved to Detroit following his graduation from Ball State University and her graduation from Nursing School. Dick worked for the Public Accounting Firm of Deloitte, Haskins & Sells for twelve years during which time he became a CPA.

After Public Accounting he worked in senior financial positions at Bendix Corporation, Masco and Key Manufacturing Company. In 1989 Dick acquired General Die Casting Company, a tier 1 supplier to the Big Three US automotive

companies. His company made external car ornamentation such as hood ornaments and name badges. Dick retired in 2000.

Dick is on the Board of Trustees of a large multi-employer Pension Plan. He also serves on the Board of his Condo Association and has a private pilot license. He joined the Senior Mens Club in 2007 and has served as a lunch ticket seller and assistant Treasurer. Dick and his wife reside in West Bloomfield and are members of the First United Methodist Church of Birmingham. They have three children and two granddaughters. I am honored to present fellow member and long-time friend, Dick Shirley, for Life Membership in the Senior Men's Club of Birmingham.

-Dave Dinger

All of these efforts wouldn't be possible without your support. For the past 65 years, the Club has successfully provided fellowship and shared interests for its members. With the creation of the Foundation, we have strengthened our commitment to community service on our terms. The Foundation serves to promote senior men activities and issues affecting the physical health concerns through charitable and educational participation.

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well."

For the Board, we thank you and look forward to your continued support.

-Tim McGee, President

SMC FOUNDATION ANNUAL REPORT

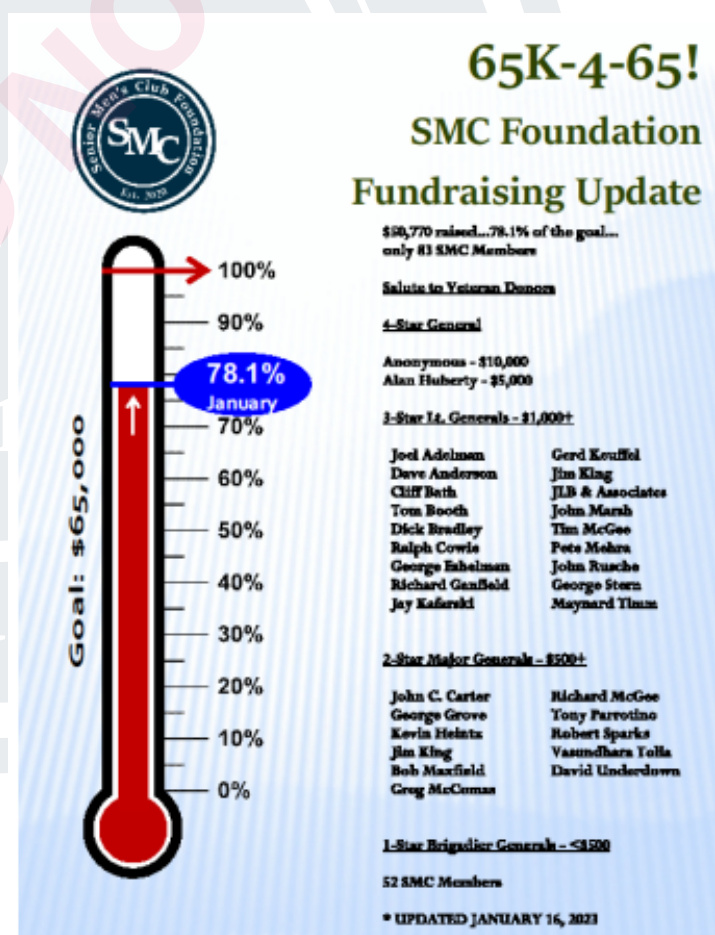

Our second full year of operation was a good one as we kicked off the fundraising campaign to raise \$65,000 to commemorate the Senior Men's Club 65th Anniversary. We haven't reached our goal yet, but we have made great strides as illustrated by the graph included.

With contributions from 82 members and friends of the Club, we have reached 78% of our goal with collections of over \$50,000. Since the inception of the Foundation, we have graciously received over \$90,000 from 134 members and friends.

As a result of the generous donations we recently awarded \$10,000 grants to the Michigan Veterans Home in Chesterfield Township for the "Home Enrichment Program" to support 124 veterans living in the home and to the World War II Legacy Foundation to support the construction of the memorial plaza located at 13 Mile and Woodward in Royal Oak.

Additionally, the Foundation Board of Directors just approved the continuation of a grant award to the Alzheimer's Association of Oakland County of \$10,000 to be presented later this spring. This grant is added to our previous \$5,000 donation awarded in the fall of 2021.

And in order to sustain the Foundation into the future, the Board of Directors has directed an increase in the Foundation Endowment Fund to \$25,000 that will be invested in higher interest bearing accounts.

SCORE ARTICLE

As a reminder, last year the SMCB board set a new strategic goal to give back to our community in 2023. The Birmingham Senior Men's Club is setting up a Mentoring Group aimed at helping small businesses thrive. Because small businesses make up the majority of our work force, it's vital for all of us to keep them healthy and growing. The knowledge and skills you have developed during your career are desperately needed by our local business owners.

SMC will be using the SCORE's proven methodology for mentoring. SCORE has been mentoring small businesses since 1964 and has helped over 11 million people reach their business goals. It is a nationwide organization with over 10,000 volunteers (with 70 members in SE Michigan) that has a proven methodology to help entrepreneurs.

SCORE offers three different services to small businesses: one-on-one mentoring, CEO roundtables and workshops. Members can be mentors, workshop facilitators or subject matter experts that give presentations or are called on for specific needs.

There is a formalized training program and co-mentoring sessions to make sure you are ready to help a local business person. It is very rewarding to assist these business owners. Whether they are starting a new business or growing an existing one, you will get a tremendous amount of satisfaction watching them grow.

Please join us.

CLASSIC MOVIE GROUP

On Monday, February 13, at 1:00PM, Waller Harris will present, via Zoom, the outstanding crime/thriller, " Fargo " (1996) (1 hour / 35 minutes).

In 1987, Jerry Lundegaard (William H Macy) is a car salesman in Minneapolis, who is so deep in debt and desperate for money that he hires two thugs (Steve Buscemi and Peter Stormare) to kidnap his own wife. Jerry's plan is to collect the ransom from his wealthy father-in-law (Harve Presnel), paying the thugs a small portion and keeping the rest to satisfy his debts. Jerry's plans quickly fall apart after the thugs commit a triple homicide, involving a State Trooper and two witnesses, and Police Chief Marge Gunderson (Frances McDormand) is called in to lead the investigation into the killings and ultimately solves the case.

Written, produced and directed by Joel and Ethan Coen, " Fargo " is considered one of the brother's greatest films, receiving seven Oscar nominations and winning two, Best Actress for McDormand and Best Original Screenplay for the Coens. The film was selected for preservation in the United States National Film Registry and was considered as one of the 100 greatest American Movies by the American Film Institute. In addition, it also scores 94% at Rotten Tomatoes.

So, mark your calendars now and plan to join Waller on February 13, to discover how Marge finally solves the case in this crime classic.

As a reminder, you can watch the trailer for this film by pushing the Movie Preview Button on the SMC Homepage. Also, watch for our access information in the Scheduled Events eBlast for the week of February 12.

Looking forward to seeing you on February 13.

MONDAY AND WEDNESDAY READING GROUPS

In February we will be discussing two very different works of non-fiction. The first is a vivid account of the many 19th century attempts by British adventures to find the Northwest Passage. It is an amazing and tragic story of heroism, endurance and, sometimes, recklessness. The second provides a unique and important look at Chinese history.

Please let Roger Timm or Bob Maxfield know if you would like to be included in our distribution list. The annual schedules for both the Monday and Wednesday groups are posted on the club's website.

Both Groups will continue to meet via Zoom.

Wednesday, February 1 at 10:30 AM: *The Man Who Ate His Boots: The Tragic History of the Search for the Northwest Passage* by Anthony Brandt (New York: Anchor Books, 2011)

From the publisher's overview: "After the triumphant end of the Napoleonic Wars in 1815, the British took it upon themselves to complete something they had been trying to do since the sixteenth century: find the fabled Northwest Passage. For the next thirty-five years the British Admiralty sent out expedition after expedition to probe the ice-bound waters of the Canadian Arctic in search of a route, and then, after 1845, to find Sir John Franklin, the Royal Navy hero who led the last of these Admiralty expeditions. Enthralling and often harrowing, *The Man Who Ate His Boots* captures the glory and the folly of this ultimately tragic enterprise."

Tom Booth will lead this discussion

Monday, February 20 at 3 PM: *Big Sister, Little Sister, Red Sister: Three Women at the Heart of 20th Century China* by Jung Chang (New York: Knopf, 2019)

Excerpted from the publisher's overview: "They were the most famous sisters in China. As the country battled through a hundred years of wars, revolutions and seismic transformations, the three Soong sisters from Shanghai were at the center of power, and each of them left an indelible mark on history.

This is a gripping story of love, war, intrigue, bravery, glamour and betrayal, which takes us on a sweeping journey from Canton to Hawaii to New York, from exiles' quarters in Japan and Berlin to secret meeting rooms in Moscow, and from the compounds of the Communist elite in Beijing to the corridors

of power in democratic Taiwan. In a group biography that is by turns intimate and epic, Jung Chang reveals the lives of three extraordinary women who helped shape twentieth-century China."

Don Haffner will lead this discussion

GENEALOGY GROUP

Latter Day Saints Genealogy Library Field Trip, Bloomfield Hills, January 17, 2023.

We had a great visit! The LDS staff was very welcoming and informative to the Genealogy Group's 15 members (the maximum they would allow in the library at one time). The expert staff gave us a hands-on experience with the LDS computers and showed us how to navigate the FamilySearch database resources. Beyond online resources, the library also houses a valuable hard copy book collection. By the end, all in attendance became comfortable with the library. Regardless of previous genealogical experience, everyone learned something that will help them in their family search. Many members already are planning return visits to the LDS library on their own.

A spring visit to the LDS library for up to 15 group members is anticipated for the spring. First priority will be given to members who already have expressed interest – so far 9.
