PICKLEBALL: A FUN NEW SMC ACTIVITY

One of the things that makes the SMC of Birmingham such a great club to belong to is the fact the club is always providing its members with new and fun activities. In keeping with this tradition, the SMC Games Group

is for the first time offering SMC members the opportunity to play pickleball with other members starting in the fall of 2022. This activity will take place at the Oakland Fieldhouse located at 2139 Austin Ave., Rochester Hills, Michigan.

We will play pickleball indoors utilizing four (4) courts at this venue. An orientation/training session for new players to the game will take place on Wednesday, September 28, 2022, followed by a 12 week season. We will play pickleball between 1 pm and 3 pm. each Wednesday. The training session cost is \$5 per participant and the cost for the season is \$80 per player. Both these fees will be collected in September from the participants. Players must have their own pickleball paddle and come to the fieldhouse dressed and ready to play. Players must wear tennis type shoes when playing the game. Join us in playing this fun and healthy activity!

Pickleball Chairman

Senior Men's Club of Birmingham 2023 Member Dues Notice

It's that time of the year again. September 1 is the date for members to begin paying their dues for the 2023 calendar year, which will remain at \$70. Dues are the primary means of funding SMCB activities and services, so it's vital that all members pay their dues. 2023 dues are payable by February 1, 2023. A \$10 late fee is required after February 1, 2023. Life members are not required to pay dues, but many send it as a donation.

Please make your \$70 check payable to the Senior Men's Club of Birmingham or SMCB and mail to:

**Senior Men's Club of Birmingham/Dues
PO Box 1149
Birmingham MI 48012**

*Or, to pay by credit card (Wix is the service provider),
go to the SMCB website and click on "Pay Dues by Credit Card".*

Its important to note that dues alone are not sufficient to fund the Club's operating costs. Donations are important to make up the difference. Please consider including a donation in your check or credit card payment. Many members "rounded up" to \$100 last year.

Jim Suhay, *Treasurer*

Golf Report

It's been a busy summer as the golfers have enjoyed great weather...both warm and dry!

The Annual Two Best Consecutive Round Competition at Springdale was waged between July 14-28 where golfers competed to better their average. The winners were:

	FLIGHT 1	FLIGHT 2
1ST PLACE	GARY MILIKIAN (-3.2)	SWARN RAJPAL (3.8)
2ND PLACE	MARK SCHUMACHER (-2.5)	TIM McGEE (-3.1)
3RD PLACE	JOHN BRUS (-1.5)	VIKAS SHAH (-2.9)

On Tuesday August 2nd, we were guests of Stonycroft Hills Clubs in the Annual Stonycroft - SMC Scramble where nine 5-man teams waged a competition. This tournament has been waged for over 30 years as both organizations have benefited with sharing memberships. The winners were:

1ST PLACE	SCORE OF 33 (-2 TO PAR)
ED MURPHY, DICK BRADLEY, JOE SCHULENBERG, DENNIS WINOWIECKI AND PAUL SHAPIRO	
2ND PLACE	SCORE OF 34 (-1 TO PAR)
JIM SUHAY, RICK SMITH, ROGER L'HEUREUX, BHARAT MEHTA AND OM BASHIN	
HONORABLE MENTION	
JIM SMALLWOOD, TOM DECORTE, PAUL KOVECES, MARV DERY AND TY PERKINS	

On Thursday, August 4th, the golfers waged the Annual 3-Club Tournament at Springdale to compare their game with only 3 clubs to their season average using 14 clubs. The winners were:

	FLIGHT 1	FLIGHT 2
1ST PLACE	TIM McGEE (-1.5)	MARK ERNST (-6.0)
2ND PLACE	TOM UTTER (0.0)	VIKAS SHAH (-3.5)
3RD PLACE	MARK SCHUMACHER (+0.1)	RANDY BARNETT (-0.5)

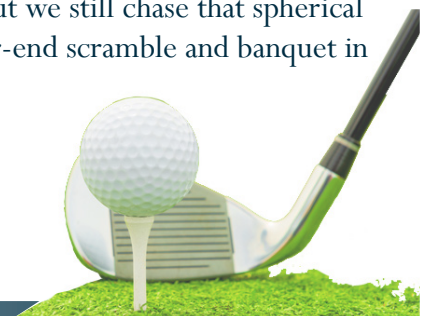

* Note: Mark Ernst is the son of Tom Ernst and fills in as a sub sometimes. He has graciously declined the 2nd Flight award for 1st Place as he feels it should rightfully be awarded to only SMC member golfers. Thus Jay Hall will move up to 3rd Place.

On Monday, August 22ND, the golfers waged the Annual 3-Club Tournament at Lincoln Hills to compare their game with only 3 clubs to their season average using 14 clubs. The winners were:

	FLIGHT 1	FLIGHT 2
1ST PLACE	TIM McGEE (-0.6)	GINO SALCICCIOLI (-8.0)
2ND PLACE	DICK BRADLEY (-0.4)	CLICK CHEFF (-5.4)
3RD PLACE	MIKE KORSAK (+0.2)	DAN BONBRISCO & KIRBY CALLAM (-4.3)

The season has ended at Lincoln Hills in order to make room for the bowling season, but we still chase that spherical object at Springdale every Thursday until the end of September and the anticipated year-end scramble and banquet in October.

Tim McGee, Golf Chairman

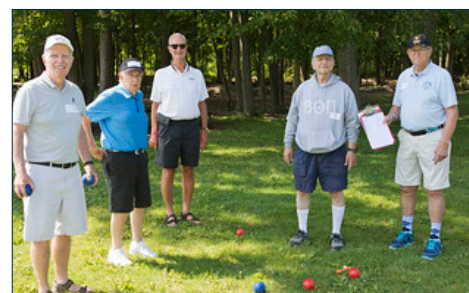

Picnic and Car Show

On August 17 from 8.30 AM onwards, co-organizer Martin Rowell, with Larry Imerman and other early-birds set the scene for a sunny gathering in the Beverly Park Pavilion, including Bob Jordan's venerable microphone system. The Car Show, managed by Ray Buratto, featured a diversity of cars including a replica of the famed Batmobile. Three of Ford's latest products were on hand, thanks to Malcolm Hendy and Dean Sellers Ford.

Tony DiMarco ran the traditional Bocce Ball games. With this year's win, Tony Parrottino won the Bocce Ball competition for 3 years running.

Box Lunches were provided by Quarton-Woodward Catering. Remarkably, wheel-chair-bound Picnic co-organizer Bob Stevenson, aided by his wife Sue, procured and handed out ice cream desserts.

Prior to the concluding Raffle-Prize awards, the Mens Chorus Sing-along was led by Charlie Blank, Ras Desai & Maynard Timm, after which another memorable Picnic closed its doors at 1.30 PM. A good time was had by the 61 attendees, including three Dean Sellers guests.

NO CHARGE LUNCH PROGRAM FOR GUESTS NOW EXTENDED

As you know, our club was offering No —charge Lunch for all guests for a three month trial period of March, April and May of 2022. This was conditional upon review of the results after this period. At the Executive Board meeting of June 14, 2022 the results were presented and reviewed by the Board. We had 18 guests and 16 of them have already become members. The Board has agreed to continue this incentive for the rest of the year to support and encourage our efforts of building up a substantial number of new members.

This would not have been possible without your enthusiastic support and soliciting potential members. Please, take full advantage of this incentive and continue inviting qualified individuals to our Friday meetings.

On behalf of the entire membership committee I extend my sincere thanks to you all.

Rasesh Desai, *Chair Membership Committee*

Port Huron River Cruise

After a two year pandemic-caused hiatus, Club members again enjoyed the annual, summer river cruise on July 20. Two motor coaches, "conducted" by Tom Knasel, Art Pope, Riggs Miller, and Martin Rowell arrived at the "Huron Lady" dock in Port Huron, where 98 guests were welcomed aboard for a 3 hour cruise embarking at 11.00 AM.

The ship's staff provided Great Lakes facts and described historical sites as we followed the Canadian shore towards Lake St Claire. After turning north along the US side, we traveled beneath the Blue Water Bridges and did a scenic loop into Lake Huron.

Having enjoyed box lunches/beverages and blessed by breezy sunshine, our scenic boat ride returned to the dock at 2:15 PM for the return trip home.

SMCB Holiday Dinner Dance – December 13, 2022

We will hold our annual Senior Men's Club of Birmingham Holiday Dinner Dance on Tuesday, December 13, at the San Marino Club in Troy, located on the north side of Big Beaver Road between Rochester and John R. Roads. As usual, our evening will begin with a social reception at 5:30 PM featuring an antipasto table of chips, cheese, and crackers with veggie dip and punch. We will be seated at 6:45 PM for announcements and introductions, followed by dinner at 7 PM and dancing thereafter until 10:15 PM. Free valet parking service will be provided.

Tickets for this event are \$65 per person and will be on sale at our Friday meetings from November 11 through December 9. Tickets are also available directly from Tony DiMarco at 248-643-7368. Reserved group tables are available upon request, and we will be happy to arrange seating for couples and/or singles as well. Tables will accommodate a maximum of 8 persons for COVID distancing reasons. Table reservation forms will be available at the Special Events table beginning November 4.

We have invited the members of NEXT and the Women's Club to join us. **Please consider inviting friends and relatives to join you! We ask that groups reserving tables please designate ONE person to collect the ticket fees for the group and make one payment for the table. Note any special dietary requests on the reservation form.**

Dinner will be served family style (all you can eat), with entrées passed around at each table. The menu will include Farfalle Alfredo and a mixed green salad with all entrées. Dinner entrées will include Tenderloin of Beef with mushrooms, Chicken Piccata with capers and artichoke hearts, or baked Orange Roughy with lemon garnish; along with side dishes of peas with mushrooms and buttered redskin potatoes. Dinner will conclude with a raspberry sundae dessert. Gluten-free and vegetarian alternative entrées will be available upon prior request.

A cash bar will be available throughout the evening, with cocktails at \$8, wine at \$6, beer at \$4, and free soft drinks/coffee/tea. The San Marino Club will be festively decorated in a Christmas motif with flowers and candles at each table. Dave Tatrow's four-piece stringed instruments group The Waifs (with a vocalist) will entertain us through the evening, opening with a salute to the Armed Forces, followed by a sing-along and seasonal favorites for our listening and dancing pleasure, and the SMCB Chorus will serenade us with songs of the season.

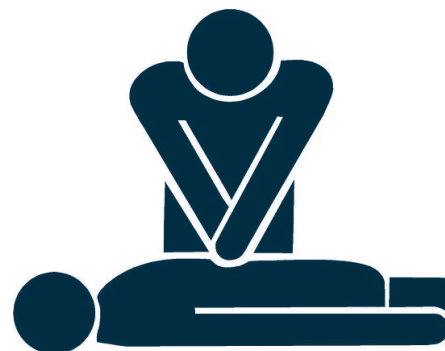

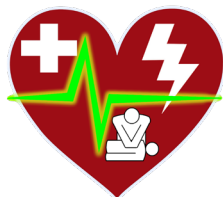

This is one of the most popular and successful annual SMCB events, so please save the date and make your reservation plans early!

SMCB MEDICAL EMERGENCY PREPAREDNESS TEAM

Now available at the Birmingham Fire Department are more frequent opportunities to learn and to remain comfortable in the Life Saving skill of CardioPulmonary Resuscitation (CPR). FREE monthly, 2nd Wednesday, training classes of limited size are designed to make the community's citizens aware of the importance these learned skills can make in the outcome of a medical emergency. The quarterly, 4th Saturday, AHA Certification CPR/AED training classes are still available at the Birmingham Fire Department. Please contact me for more information and your desire to pre-register for one of these opportunities.

SMCB Walkers Group

Hear Ye ! Hear Ye ! It is time to get back into Shape !
 Has the summer and vacation time led you astray ?
 Do you want to feel better, livelier, and with it ?
 It may be time to "Walk for your Health".
 The SMVB Walking Group meets on Tuesdays (Shain Park) and
 Thursdays (Barnum Park) at 8:30 AM for a walking routine.
 You can walk at your own pace, and/or join others as you wish.
 "Try it - you will like it".

Why Join the SMCB Walkers Instead of Walking Alone?
 Cambridge University researchers found that those who walk in groups

- Are more likely to keep up their exercise routine
- Have improved quality of life
- Enhance their satisfaction with walking.

Join us and decide for yourself whether the researchers are right.

MONDAY AND WEDNESDAY READING GROUPS

In September both groups will be discussing two very important works of non-fiction. The first focuses on the impact of the notion of precision on the development of the modern world, and the second provides insight into the field of archaeogenetics providing new knowledge of human history.

The new schedule of Monday books has been finalized and will be available on the club's website.

Both Groups will continue to meet via Zoom

Wednesday, September 7 at 10:30 AM: *The Perfectionists: How Precision Engineers Created the Modern World* by Simon Winchester.

(New York: Harper Perennial, 2018)

Simon Winchester takes us back to the origins of the industrial age in England and moves through time to today's cutting-edge developments occurring around the world. In its review the New Review of Books called this book "mesmerizing and fascinating." It continues, "Mr. Winchester is a master storyteller and all the individuals, places and events that he writes about come to life in exquisite detail."

Fred Hansz will lead this discussion

Monday, September 19 at 3 PM: *A Short History of Humanity: A New History of Europe* by Johannes Kraus and Thomas Trappe (New York, Harper, 2018)

Kraus, Director of the Max Planck Institute for Evolutionary Anthropology and Trappe, a journalist, introduce us to the new field of archaeogenetics – archeology augmented by DNA sequencing technology - which has allowed scientists to reconstruct human history reaching back long before recorded time. The Wall Street Journal called this book "thrilling...a bracing summary of what we have learned from archaeogenetics."

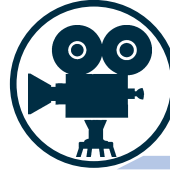

This discussion will be led by Dennis Callan

Looking ahead to October

October 5 at 10:30 AM: *The Women of Copper Country* by Mary Doria Russell (Paul Lieberman)

October 17 at 3 PM: *The Nixon Conspiracy and the Plot to Remove the President* by Geoff Shepherd (Jim Zyla)

Bob Maxfield

CLASSIC MOVIE GROUP

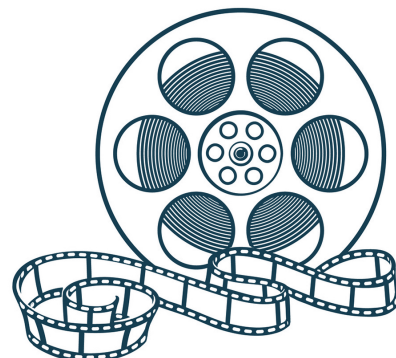

On Monday, September 12, at 1 pm, Jon Haber will present, via Zoom, the film **Do the Right Thing**. This 1989 film (running time 2 hours) produced, written, and directed by Spike Lee is a hard-hitting drama that deals with violence and racism in a primarily black neighborhood in Brooklyn. Right in the center of this neighborhood is an Italian pizza parlor that is owned by Sal (Danny Aiello). At the beginning of the movie, Sal arrives to work with his two sons Pino (John Turturro) and Vito (Richard Edson). Right from the start, Sal is portrayed as a hard-working, kind, and devoted individual. Just the fact that he owns his own business in rough and tough times shows that he is a smart, efficient, and dedicated man.

Mookie (Spike Lee), an African American, works for Sal delivering pizza and also acts to keep his fellow black folks happy with Sal so they will continue to patronize his restaurant. Sal puts on a happy face and greets all the black people as they shell their hard-earned money out to him for his pizza. But, over time, he has turned into a bigot, hating most black people, and talking behind their back while they are not around. Sal seems to have this father-son bond going on between him and Mookie where Sal is the white father and Mookie the black son who in the end finally rebels.

The story takes a turn for the worse when another character, Buggin' Out (Giancarlo Esposito) comes into the restaurant for a slice of pizza and happens to notice that the pizzeria's Wall of Fame exhibits only Italian actors. Buggin' Out believes that a pizzeria in a black neighborhood should showcase black actors, but Sal disagrees. The wall becomes a symbol of racism and hate to Buggin' Out and, ultimately, to other people in the neighborhood. Tensions rise as Buggin' Out organizes a boycott against Sal's place and tells his friends to never eat there again.

So, mark your calendars and join us on Monday, September 12. You can then decide if Sal, Mookie or Buggin' Out Do the Right Thing.

Jon Haber / Monthly Chairman / September

CAMERA CLUB

Camera Club will meet on Third Thursday at Three--September 15, 2022. We will use the big screen in the Birmingham Library's second floor Board Room. (This *cont.*

CAMERA CLUB CONT.

room is acoustically much better than the bigger room we have used before, on the second floor.)

Richard Muszynski has put part of his year 2000 trip to Eastern Africa (from Nairobi, to Serengeti, Madagascar, Cape Town, and Victoria Falls) into a 15 minute movie format, with appropriate background music and sounds. Additional photos have been converted to pdf format to also share on the big screen with comments by the traveler, (and chair).

(Zoom has not worked reliably for us at the Library, and a big screen is better.) But limited Zoom will be attempted.

CONGRATULATIONS TO ANN AND TY PERKINS

Belated congratulations go out to Ann and Ty Perkins for the 70th Anniversary celebration of their Saturday, August 23, 1952 marriage at Detroit's Bushnell Congregational Church. The newlyweds were feted by a "fair number" of family and friends at a reception following at the church. They honeymooned at a cottage in Lake City, MI.

These youngsters met on a double-date after Ty had returned from service in the Navy. Ann was a friend of the gal Ty was dating and Ty arranged for his best buddy to be Ann's date for the evening. In a classic case of love at first sight, or at least love at first laugh, Ty was smitten by Ann's laugh and he says she was then and there the gal for him. He was 25 and she was 21.

Ty credits Ann's unconditional love and the support of family and friends for the success of their marriage.

SMCB's best wishes go out to these two lovebirds as they continue to share all the wonders of their lives together!!

COMMUNICATIONS COMMITTEE REPORT

To achieve the #1 directive of last year's Strategic Planning Committee, the Communications Committee continues its work towards improving the overall member and guest experience with club communications. The goal is to make communications two-way, timely, interesting, precise, concise, and user-friendly.

To this end, the Communications Committee has:

- **Changed the way we use eBlasts:**

You may have noticed a change in the number and importance of eBlasts. Too many eBlasts were causing too much work, and much confusion over dates, events and priorities. Committees like Reading and Investment Study are now sending their own email notices to a select group of members who already participate in their activities. Information impacting the entire club membership, such as obituaries, special events, and meetings, continues to be appropriate material for eBlasts. Members who are interested in being on a directed email list from particular committees are invited to contact the committee chairs as noted on the website and in the 2022 Handbook.

- **Changed the Friday meetings Reservation System:**

Established in fall of 2022 by Gary Melikian, this remains a "work in progress" now under the direction of Robert Sparks. While the system is currently unduly labor intensive, and subject to failings through human error, Robert continues to seek ways to simplify and improve it using our current WIX platform. He is ably assisted in this work by Tom Dahlem.

- **Instituted some Graphic Design Changes:**

Starting this fall you will notice changes in the club's logo which will be used in all representations of the Senior Men's Club of Birmingham, from electronic and print media to clothing. A new lapel pin is also in the works. The use of a slightly revised logo is the product of the Strategic Planning Committee's intent to make SMCB a "premier organization" among social clubs of similar membership and interests. It is a move towards establishing a unique "brand" identity for SMCB.

- **Established a Relationship with Local Press:**

Using his extensive public relations and newspaper experience Jack Harned has established a relationship with Birmingham and Bloomfield local press, getting coverage of our monthly activities. His work has given the club much needed local exposure, generating new interest in our work, improved Friday attendance, and increased membership, all resulting in cementing the SMCB "brand".

- **Begun a Review of the WIX Platform:**

New member Tom Dahlem has taken responsibility as Webmaster and begun an assessment of whether the WIX system remains an appropriate platform for our communications and record keeping. In tandem with Dennis Callan, Tom is responsible for retention of accurate club membership records and electronic communications with members, utilizing WIX and the Microsoft Access program. The duo contributes to the overall improvement of club outreach to the membership.

The work of the Strategic Planning Committee gave club leadership a new direction and priority in focusing on Communications. It will be an ongoing process, knowing that as membership demographics inevitably change, communicating with them must also change.

We welcome your input.

2022 Communications Committee Chair and Corresponding Secretary
